## Open Part of New Baptist Church

### Sunday School Meets In New Part Tomorrow

The Sunday School of the Baptist Church will meet in the completed portion of the new building for the first time next Sunday and a record attendance is expected.

There will be no formal exercises marking the opening of the school portion of the building until later when the new auditorium has been completed, although the various departments will meet together Sunday morning at 9:45 for a few minutes, and then retire to their new quarters.

The school has been reorganized in line with the best modern practice into five departments: Beginners, Primary, Junior, Intermediate and Adult, each of which will have entirely separate quarters with appropriate equipment. The Beginners will occupy a large, sunny room on the first floor, which is furnished with a sand box, small tables, chairs and other equipment suitable for the little ones. An attractive open fireplace is a feature of this room, contributing to the pleasantly cheerful of feet. The Primary Department will also be located on the first floor in one of the department units consisting of an assembly and four permanent, sound-proof class rooms. The Juniors will occupy a similar department unit on the second floor. The Intermediate Department will occupy the large room on the first floor, which is also used as the Social Room of the Church.

The adult classes will assemble on the second floor in the auditorium of the old building. There are four adult classes, two for women and two for men. Mrs. E. A. E. Palmquist teaches one of the women's classes which follows special courses of study. The other women's class is led by Mrs. H. C. Keim. Each of these classes has a meeting place, so that the entire assembly room is available for the men's classes who have combined pending completion of the entire building. The older men's class, led by Mr. H. C. Keim, for the time being will meet with the Smedley Sunday Association, a recently-organized business men's class named in honor of William D. Smedley. This class, which has over 35 members, has heretofore been meeting Sunday mornings in Mr. Smedley's office, due to lack of space in the church. It is led by Rev. Elvin A. E. Palmquist, Executive Secretary of the Philadelphia Federation of Churches, assisted by Raymond I. Haskell. This class, the largest in the school, will now be able to expand and is anticipating a rapid and steady growth in the new quarters.

The entire school is well organized with an efficient corps of department heads and teachers. Miss Jane Super has charge of the Beginners, Mrs. Walter B. Taft heads the Primary Department, Mrs. H. Boardman Hopper the Junior Department. Mr. H. Boardman Hopper is the active Superintendent of the entire school, while Mr. T. C. Trotter, Jr., is the General Superintendent.

The new auditorium of the church is nearing completion and the entire building will be occupied in a few months. It is interesting to note that almost the entire building is the product of home talent. It was designed by Mr. Victor Abel and built by William D. and H. T. Smedley. Plumbing and heating were furnished by Cook Brothers, and the lighting fixtures by Mr. McDonald.

Provision will be made Sunday at the close of the morning services of the church for an inspection of the completed and uncompleted portions of the building by any interested visitors. All are cordially invited.

#### ALL EPWORTHIANS

##### And Their Friends, Attend-shun!

R-r-right dresses!

Front! In place—rest!

There's going to be a Measuring Social at the Methodist Church Friday, March 21st, at 8 o'clock.

If you don't know what a measuring social is, won't you come and let us show you! We guarantee you a good time, both as spectators and participants.

Attend-shun! R-r-right dress! Front! Dismissed!

## Former Citizen of Narberth Dies

### John G. Walton Long a Local Resident

John G. Walton, for many years prominent in Narberth affairs, and of recent years a resident of Atlantic City, died suddenly Monday night in the Atlantic City Hospital of cancer of the stomach.

Mr. Walton had been in apparent good health until a week ago last Thursday, when he was ordered to bed by his physician. When he failed to respond to treatment it was decided that an operation would be necessary, and he was taken to the hospital on Friday. Dr. Theodore Sensemone performed the operation later in the day. The patient failed to rally and Monday morning the members of the immediate family were summoned to the bedside. They were at the hospital when death came.

Mr. Walton, who was prominent in resort civic affairs, is survived by his wife, two sons, Kenneth and Wyelf, and two daughters, Jeannette and Helen. A brother, Charles, was associated in the restaurant business with him.

All of the children attended the Narberth school, and the sons graduated from the High School. Kenneth, the elder, was President of the class of 1918, and a brilliant scholar. He later graduated from Haverford College, where his brother is now a Senior.

When a resident of Narberth, Mr. Walton was prominent in many local activities. He was at one time a member of the Narberth Fire Department, and conducted the taxi service and hauling business later purchased by Sabie Censore.

The rapid growth of his restaurant business in Atlantic City compelled him to give up the Narberth enterprise and devote all his time to the restaurant at the shore. In 1919 Mr. Walton purchased from his brother the sole ownership of Walton Brothers' Cafe at 1214 Atlantic avenue, and since that has built up a highly successful business, resulting in the construction of a three-story building in 1922.

The funeral has been delayed, pending the arrival of Kenneth Walton, who has been in Kent, England, for some months. Upon learning of his father's death, he immediately sailed.

Scores of Narberth friends of the family, many of whom have visited them at the shore, will regret the passing of Mr. Walton.

#### TENNIS CLUB'S NEXT AFFAIR A SURPRISE DANCE

Can you remember back as a kiddie what a "Surprise Party" held in store for you? If it was on you, you did not get the thrill of anticipation because you knew nothing about it until it happened, and then you got your real thrill; but if it was on one of your buddies, remember all the plans you all made, and in the end everyone came, the party went off as planned, and everyone had a cracky good time.

The next dance of the Tennis Club, on Saturday, March 22nd, is going to be a Surprise Dance, only more elaborate than anything in the past you have ever attended. Of course the Entertainment Committee are working under cover, and it would not be a "surprise" if everyone knew just what was going to happen, but those attending are going to be surprised at the appearance of the hall; they are going to be awfully surprised at the orchestra (even better than the last), and they will be surprised to see Jeritza there.

This is to be another of those neighborly affairs for members and friends, and it's just going over "topping." Wish the hall was seventy feet longer and thirty-eight feet wider to accommodate all who want to attend. As per the last dance, the number of tickets sold will be only to the extent to insure comfortable dancing.

#### ATTENTION

Snap into it, Legionnaires and citizens. Secure your tickets for the motion picture benefit given under the auspices of the American Legion Auxiliary Unit, No. 356, Wednesday afternoon and evening, March 12th, at the Ardmore Theatre. The feature picture will be "The Acquittal," a mystery drama, with an all star cast. The proceeds to be used for welfare work. Tickets, 40c. each. Mrs. Elizabeth Wipf, chairman of tickets, 101 Essex avenue. Phone Narberth 675.

Please pay subscription promptly.

## Women Voters Plan Tea Monday

### All Women Are Invited to Attend Affair

An invitation is here extended to the women of the community to attend the tea to be held under the auspices of the local league on Monday, March 10th, 2:30 P. M., in the Y. M. C. A.

This tea is in honor of the out-of-town speakers and guests, Miss Gertrude Ely and Mrs. Herman L. Schwartz.

The former is chairman of the Montgomery County League of Women Voters and has chosen for her subject, "Patriotism and Peace." Those who have heard Miss Ely know that she is an interesting and vivacious speaker. Mrs. Herman L. Schwartz, State Regional Director, will speak on the very important subject of "Primaries." Mrs. Schwartz always presents her facts in a most convincing manner, leaving the impression that she is thoroughly conversant with the question under consideration. Voters should not overlook the importance of the primaries, and this is your opportunity to obtain information.

Mrs. E. C. Batchelor, who is a member of the local school board, will tell about "Our School." This is a part of "Know Your Town" program. This matter should also be of the keenest interest locally. This is especially true of those having children in the school, because since the removal of the high school pupils to Lower Merion it has given the local school better facilities for a fuller development.

Following the talks there will be an open forum. Come prepared to ask questions.

The National League is aiming at a 75 per cent. vote at the primaries and Narberth must do its share.

Members and friends, urge your neighbor to come.

The team is in charge of Mrs. L. C. Douglas, with Mrs. H. C. Gara and Mrs. Walter Fox at the tea table.

Other members assisting at this time are Mrs. George Orth, Mrs. Milton Alexander, Mrs. Nelson Rowley, Mrs. Robert Nash, Mrs. Edgar Cockrill and Mrs. Linde Trotter.

#### SPRING MILLINERY

Arrangements have been completed for the opening of a spring course in millinery under the auspices of the Y. M. C. A. The classes will be conducted under the direction of the well-known and highly efficient instructor, Madame Thausant.

The opening session of this course will be held on Thursday, March 13th. On that date, and each week for twelve weeks, classes will meet at the Y. M. C. A. Building, Ardmore, on Thursday morning, from ten to twelve, and in the evening from seven to nine, while another group will meet each Thursday noon at the Saturday Club Building at Wayne from 2:30 to 4:30. While the classes are being held in the Y. M. C. A. and the Saturday Club Building any who may be interested are welcome to arrange to take up the work.

As many of the ladies of the Main Line know, the Madame is in a class by herself. She has the very latest ideas, and is especially apt in helping pupils create hats that exactly express their personality.

Further information can be had by getting in touch with the Y. M. C. A., Ardmore, Pa., phone Ardmore 833, or with Mrs. T. M. Patterson, of St. Davids, phone Wayne 305-J. Visitors are always welcome at the session of these classes.

#### HIGH SCHOOLS COMPETE

More than 75,000 pupils of the high schools of Pennsylvania, Delaware and Southern New Jersey are busily engaged in preparing orations on questions having to do with the Constitution of the United States, its makers and defenders.

All of these boys and girls hope to qualify as contestants in a series of contests to be conducted in the schools to find the best orator in this region, who will receive a four-year scholarship in the university of his choosing and be named as one of seven students who will meet in a national contest in June, to be held in Washington, at which the President will make an address and Justices of the Supreme Court will determine the winner, who will receive a cash prize of \$3,500. The second best oration will be awarded \$1,000 and the third \$500.

## The FIRESIDE

Robins and grackles were common in Narberth this week. Other birds are arriving regularly, and "Fiebre de Printemps" has reached the proportions of an epidemic.

Mr. Robert J. Nash has returned from an extended trip through Florida and Cuba.

The property at 403 Dudley avenue has been purchased through E. J. Hartzel & Son by William Kleinfelder, of Philadelphia. He plans to move to Narberth shortly.

Mr. and Mrs. F. E. Moyer, of Chestnut avenue, are in Mexico, visiting a number of towns there on their way to the principal coast resorts of California. A message to "Our Town" from Tijuana, Mexico, reports a temperature there of 85 on Wednesday of last week.

Mrs. A. B. Ross is recovering from an attack of tonsillitis.

Mrs. R. C. Williams has returned from a trip to Long Island.

Mr. and Mrs. Samuel Shyrook entertained a few friends at their home last Saturday evening.

Dr. Francis Baker and family, of Chestnut avenue, are planning to move to Atlantic City about the first of next month.

Mr. and Mrs. Edward G. Schmidheiser are receiving congratulations on the birth of a daughter.

Mr. and Mrs. W. H. Hagenbach, from Collingswood, New Jersey, have moved into the Berkeley Apartments.

Mr. and Mrs. Edgar S. Taylor, of Chestnut avenue, entertained on Wednesday evening.

Mr. J. T. Dalzell, of Pittsburgh, has purchased a home at 11 Sabine avenue.

Mr. H. J. Butler and family have removed from Anthony Road to Wynnewood Court.

Mr. and Mrs. Charles F. Haish, of Mill Road, will leave on Sunday for a trip to Cuba.

The long and short of it will be an evening of fun that promises to be just a little different March 21st, at the Methodist Church.

Mrs. N. H. McCoy is spending a few days with Mrs. Bowman, of Elmwood avenue.

It is said that a Chinese laundry is soon to be established on Narberth avenue, in Markle's old milk store.

Miss A. H. Read, of South Narberth avenue, and Mrs. Elizabeth W. Howes, formerly of Narberth, have arrived in California. Miss Read spent a week in Chicago as the guest of Mr. and Mrs. Henry C. Howes.

Mr. C. M. McCracken, of Merion avenue, has left for a trip through the West.

Mrs. C. F. Haist, of Mill Road, entertained with a luncheon and theatre party on Thursday.

The Measuring Social at the Methodist Church, March 21st, will disclose the golden rule to follow to institute—that wonderful week we all talk about, yet never appreciate until we actually get there.

#### PLAY COMING

Once more the Juniors will furnish a treat for Narberth, this to be in the form of a sparkling and uproarously funny comedy, "The Charm School." Those fortunate ones who read the clever book by Alice Duer Milly, from which the play is adopted, or who have seen the popular picturized version featuring Wallace Reid, will occupy the front rows of seats at Elm Hall, April 25th. The remaining seats will be reserved for those who enjoy a good play, well staged and cleverly acted.

Make plans now to reserve the night of April 25th for "The Charm School."

## Scouts To Appear As Minstrels

### Annual Show Next Week. Fund Drive Continues

Advance notice has already been given through these columns that the Sixth Annual Minstrel Show will take place in Elm Hall on Friday and Saturday evening, March 14th and March 15th (next Friday and Saturday), at 8:15 P. M. The show this year will be better than ever, which is saying a lot. The setting will be entirely novel and there will be special features never before given in Narberth. It would be spoiling the plans of the directress, Miss Withrow, to announce these, but it should suffice to say that it will be "some show." One or more talented young ladies have consented to appear in specialties.

On Saturday night, the 15th, the performance will be followed by a dance. A special orchestra has been engaged.

Tickets are now on sale by all Boy Scouts, and according to the latest report they are going like hot cakes, so hurry up and get yours and don't be disappointed.

Admission, 50 cents, either Friday or Saturday evening.

#### Drive Continues

The annual drive for the Scouts this year has resulted so far in obtaining about one third of the needed amount of money. While the returns are not apparently favorable, it is believed that those not yet heard from will shortly subscribe. The committee, unfortunately, ran short of circulars and a goodly number of residents anxious and willing to help along the movement have undoubtedly been missed. If those friends will only pin a dollar bill or a check to their personal or business card, mailing simply to the Boy Scouts, Narberth, it will be received. Owing to the lack of funds, it will be impossible to acknowledge each individual subscription, but it is planned to list the subscribers alphabetically and place this list on the bulletin boards, where the names will be made known. While one dollar has only been suggested, quite a few friends have made a larger subscription, and one good friend, as in the past, donated the high-water mark of \$25.

Remember the Boy Scout pledge: "I pledge allegiance to my flag, and to the Republic for which it stands, one nation indivisible, with liberty and justice for all."

#### METHODISTS TROUNCE PRESBYTERIANS

The Methodist bowlers, of the Inter-Church League, showed wonderful form on Monday evening, March 3, and took two games from the Presbyterians. The Presbyterian made their best score in the first game and won it, but the Methodists took the second game easily and arose in all their might in the third, coming through with the record-breaking score of 854 points. Captain Bailey was high man with a score of 204, but was closely pressed by Captain Larer, who made 203 in the same game.

All the teams are showing improved form in the second half of the season and scoring records are being broken every week. This has served to increase interest in the games, and they are being enjoyed by a number of spectators. The score was as follows:

| Methodists    |     |     |
|---------------|-----|-----|
| C. L. Jenkins | 127 | 127 |
| E. C. Reiss   | 155 | 149 |

## Narberth Winners in Second Half

### "B" Basketeers Victorious in Both Series

The Narberth "B" Club by their victory over the Cooper M. E. Club last Friday night copped the second half championship of the Overbrook Church League.

It was after a remarkable dash penantward that the Town boys were able to beat the fast Wharton Club under the wire by a one game advantage.

It was the same spirited, uphill fight that won the first half championship for the locals after the Wharton team held a one game advantage until the last week of play. By winning last Friday's game, Narberth eliminated a play-off among the "B" section, and they will be crowned undisputed champions of their class.

The Cooper lads played to win and the locals had to bring all their tricks into play to emerge victorious. The final score was 38-25. Too much credit cannot be given to Captain Lou Ricklin, "Pete" Yeum, Clarence Humphries, Bill Humphries, Millard Dickie, John Hand and George Cummer are the heroes, and Manager Harry Heller committed himself in line style when the team needed a more experienced man to help them out.

Last Friday ended the basketball season in Narberth for 1923-1924, and the management wishes to thank all of the local rosters who patronized the games and made basketball possible for the boys.

#### DR. MUTCH SPEAKS

Owing to the illness of Mrs. A. B. Ross, President, Mrs. E. A. Muschamp, First Vice-President, presided at the meeting of the Women's Community Club last Tuesday afternoon. After the reports of the various chairmen, announcement was made of the Nominating Committee for the coming election of officers. This committee will consist of Miss Runyon, chairman, Mrs. J. E. Bailey, Jr., and Mrs. F. H. Stevens. Mention was also made of the Club institute and box luncheon at the Ardmore Club on March 21st, at 12:30.

Miss Mayer, from the Narberth Public Schools, gave a short talk on "Health Education."

Mrs. Muschamp then introduced Dr. Andrew Mutch, of the Bryn Mawr Presbyterian Church, who took for the subject of his talk, which was seasoned with many witty remarks and humorous stories, "Christian Citizenship," the first test of which, he said, is conforming to the laws of our State and nation. But recently becoming an American citizen himself, Dr. Mutch spoke convincingly and well for the need for all to heed the laws of our country and of the present tendency to make light of them. "Law breaking," he said, "has become a national sport in America, and surely our personal liberty should end where the laws of the nation begin."

Another attribute of Christian citizenship, Mr. Mutch said, manifests itself in civic service. Too many men will work for the maintenance of their homes and families, but are neutral when it comes to borough, town or other civic matters.

The third point brought out in his talk was religion and the value of it for our well-being. He quoted an American writer as saying, "If all the churches in the country were closed they would very soon be needed for jails." Dr. Mutch's talk was surely enjoyed and appreciated by all who heard him.

Mrs. L. C. Douglas gave a report of the meeting held on Tuesday evening to discuss the plans for a Community Centre. Mrs. Muschamp then asked for the opinions of those present on this subject, and several responded, giving their views, pro and con.

Miss May Banfield rendered two piano solos, following which the meeting was adjourned for the usual social hour, in charge of Mrs. T. Noel Butler.

#### TO HELP IN REPORTS

A deputy income tax collector will be at the office of the Merion Title and Trust Company, in Ardmore all of next week, from 9:00 A. M. to 4:30 P. M., (Saturday until 12 noon) for the purpose of assisting persons in making out their income tax report.

IT COSTS MONEY TO RUN A NEWSPAPER

Publicity is a newspaper's stock in trade and it is to the individual's and the community's interests just as much as to the interests of the newspaper itself to see that a newspaper is adequately recompensed for publicity matter because if a newspaper is properly supported, it is able to render broader service to the community. Free publicity should no more be expected from a newspaper than free legal advice from a lawyer, or free medical advice from a physician. The Public Spirit is always willing to go more than half way in giving publicity to deserving causes but it takes money to conduct a newspaper and its advertising space is its chief source of revenue.—Hart-

## THE ART OF SPENDING

The General Federation of Women's Clubs is promoting a practical home economics campaign. It feels that to promote culture and good citizenship, people must learn to use their incomes more judiciously.

It wants to teach the women to manage the home purse more wisely. A prize has been offered by the president of the National Cash Register Company for the best 10 suggestions as to how to teach more efficient spending in schools.

The old timers used to bring up children and give them a good education on incomes that would be considered poverty stricken today, even if prices were back to pre-war figures. It is just as much of an art to spend money as it is to make it. Among the economy methods that should be suggested is to watch the newspaper advertising.

## ARE YOU GOING WEDNESDAY AFTERNOON?

Where? Why, to the W. C. C. card party, of course. To be held in the Y. M. C. A. From the number of tickets sold already, you will surely meet many of your friends. There will be "A prize for every table, and plenty of tables" of Bridge, Mah Jongg and Five Hundred. Refreshments will be served. The time—2.30.

## BOB IS IN AGAIN

### "The Snow Covered Sidewalks"

The morning breaks with beauty rare, the sun is shining bright—we come from out the hay and straw, we've spent a peaceful night. I hear the cackling of the duck, the mooing of the cow, the cat and goldfish sing their song; it's good to live I vow. And when I've had my morning mush and nibbled at the cheese, I don my overcoat and hat and hit the morning breeze. The snow has fallen through the night and covered every square. "Gazooks," I cry, with spirits high; "it's beautiful," I swear. But as I stand upon my porch I see eight men go by; their heads are dragging on the ground—their feet point towards the sky, and as I laugh in accents loud and beat my sides and roar, three women take some twenty steps and slide back thirty-four. In glee I start my daily rush to catch the morning train. B'gad I find I'm upside down—my bones are filled with pain. My head is buried in the snow, my shoulder blade is broke, my ribs have done the Highland Fling—by jove, it is no joke. Nine stitches I will have to take to mend my battered ear, my pants are torn both fore and aft, my vest is ripped I fear. "By jove, it is a sin," I wail; we should not stop with talk, but lodge in jail those haughty birds who will not clean their walk; and thus assure us mortal ducks who rise up bright and gay, that we can take our morning stroll and live another day.

BOB SPERRY.

(Apologies to W. M.)

## A MODEL GARDEN

If I could plant a model garden it would be located on the north edge of the lawn in a corner. My garden would be triangular in shape and would measure about eight and one-half feet on each side, which would give a width of twelve feet across the front.

Not very big, but very good and pretty in every season.

First, I would plant a red cedar, eight feet tall, at the apex. On either side a six foot cedar, then would come two five foot fellows and on the ends two smaller ones four feet tall. This would be the very necessary back-ground.

Now just about a foot in front of the big cedar would be two white birches about eight feet tall and about a foot in front of these one Philadelphus-Virginal (Double Orange Blossom).

On one side and slightly back would be a white dogwood and on the other side to balance would be a scarlet hawthorne, each about five to six feet tall.

Right in front of the Orange Blossom I would have two plants of Irish-Pallida Dalmatica and spaced on either side two plants of Rose-Paul's Scarlet Climber treated as bushes.

Two plants of Japanese Iris-Boundless Sea (Six Petal White) would be to the right and to the left of the roses and on the ends two plants of Phlox-Elizabeth Campbell.

Just in front of the Irises-Pallida Dalmatica we would have three plants of Iris-Aurea (yellow), and on either side one tall blue Hybrid Delphinium.

Leaving the front open for about three feet in the center we would range on each side three plants at Kalnia Latifolia (Mountain Laurel), and in between them in front we would place eleven plants of early blue phlox (Divaricata Canadensis), three in the center and an extra one for each end.

For October bloom there would be eleven yellow hardy chrysanthemums in back of the blue phlox. Chesapeake is an exceptionally good variety.

Yellow Annual Sweet Alyssum would be the border all across the front and perhaps in the fall we would invest in a dollar's worth of yellow crocuses.

Try your hand at landscaping and sketch this plan out on paper.

Sketch the plants in and then figure the blooming seasons and see what a nice year 'round garden it will make, not forgetting the winter effect of the white birches against the evergreen background and the colored berries on the dogwood and hawthorne, with the evergreen laurel to keep color all winter.

March brings breezes, loud and shrill, Stirs the dancing daffodil.

Births, deaths, dances, card parties, visits, engagements, new neighbors, trips—all belong in the Fireside. Will you keep us posted?

## A CHANGED MEANING

Years ago a drug store was little else than a chemist's shop, but the day of the dingy store has passed. In its place is the modern drug store, adding to old skill a new convenience and cheer.

We try to make your visits to our store pleasant ones.

**Church Notes**

The pastor begins tomorrow morning a series of sermons to be continued on Sunday mornings during Lent on "The Closing Scenes in the Life of Our Lord." The following themes will be used, "With Christ in Gethsemane, before the Sanhedrin, before Pilate, on the Via Dolorosa, at Calvary, on the Cross, and at the Empty Tomb."

Next Tuesday evening the Westminster Circle will hold their Annual "Party" at the church.

Next Wednesday morning, at 10 o'clock, the Women's Auxiliary will convene for sewing. Later a business meeting will be held and there will be an election of officers. Luncheon will be served.

Next Wednesday evening Dr. Shope will continue in his helpful lectures on "From Eternity to Eternity."

Under the auspices of the Junior Church an educational lecture will be given in the lower room by Miss Brinton on next Friday evening from 7 to 8 o'clock. Subject, "Milk From Pasture to Doorstep." Motion pictures will be used. There were 66 present at the Junior Church meeting last Sunday morning.

## WELFARE COUNCIL MEETING

Friday afternoon, March 14th, at 2:30 o'clock, in the Court Room No. 2, Court House, Norristown, the regular meeting of the Council for Welfare Work of Montgomery County will be held.

The programme of the meeting will consist of short talks by Miss Audrey M. Hayden, secretary of Old York Road Public Health Centre, Jenkintown; Miss Helen Jones-Parry, Secretary of the Social Service Department of the Bryn Mawr Hospital, and Miss A. E. Stansbury, Personnel Worker of Lees' Mill, Bridgeport. These speakers will tell about their respective work.

Miss Joan Wollston, Secretary of the Main Line Citizen's Association, Bryn Mawr, will speak on the housing problem and will show pictures illustrating her talk.

Bryn Mawr has a "Good Home Association," organized for the purpose of relieving the shortage of homes.

These meetings are very instructive and interesting and well worth attending. The public is invited.

### THE LIBRARY HAS RECORD MONTH

**Buy Eighty-three Books and Circulates 1603**

The fifteenth bulletin of new books has recently been issued by the Community Library. Owing to the large number of volumes purchased during the month of February, it was impossible to print them all on one sheet, and this bulletin, therefore, is only a list of the most important additions. While many of the books listed were purchased because of their destined popularity, many others were purchased because of their permanent literary value, while still others were bought to supply the reading requirements of the pupils of the local schools.

The library has just completed the most successful month of its history. Unlike the librarian in "The Revolt of the Angels," to whom the borrowing of the smallest book seemed like dragging his heart out, the librarians of the Narberth Library are more pleased the greater the demands which are made upon them. During the month of February they distributed 1603 books.

A partial list of books purchased in February follows:

Non-fiction -- Amesley, Charles, "The Standard Opera Glass;" Bantock, J. T., "Mah Jongg;" Bantock, Granville, "Sixty Patriotic Songs of All Nations;" Betts, G. H., "Fathers and Mothers;" Bryan, W. J., "In His Image;" Cohen, Helen L., "One Act Plays;" Dewey, John, "How We Think;" Fosdick, Harry, Emerson, "Christianity and Its Progress;" Hall, W. S., "Girlhood and Its Problems;" Henderson, W. J., "Orchestra and Orchestral Music;" Longfellow, Henry W., "Complete Poems;" Mantle, Burns, "Best Plays of 1922-1923;" Martin, M. E., "The Friendly Stars;" Milton, John, "Poems;" Nicolay, John G., "Abraham Lincoln;" Pierce, Frederick, "Our Unconscious Mind and How to Use It;" Russell, Mary M., "How to Produce Plays and Pageants;" Seymour, Harriet A., "What Music Can Do for You;" The N. Y. World, "World Almanac-1924."

Fiction--Bailey, H. A., "Mr. Fortune's Practice;" Benson, Stella, "The Poor Man;" Conlidge, Dane, "The Scalp Lock;" De la Mare, Walter, "Henry Brocken;" Ertz, Susan, "Madame Claire;" Garrett, Garret, "Satan's Boshell;" Jameson, Storm, "The Pitiful Wife;" Ostrander, Isabel, "Annihilation;" Macaulay, Rose, "Told by an Idiot;" Mason, Caroline A., "The Highway;" Phillips, Eden, "Cheat the Boys;" Pollock, Frank L., "Timber Treasure;" Stockley, Cynthia, "Garden of Peril;" Stockley, Cynthia, "Ponjola;" Tarkington, Booth, "The Midlander;" Tompkins, Juliet W., "A Line a Day;" Wells, Carolyn, "Furthest Fury;" Wynne, Pamela, "Ann's an Idiot."

### SCHOOL NEWS

Editors: Richard Timm, Henry Banks, William Segel, Paul Baughman.

The pupils of the Narberth public schools welcome back their principal, Mr. George H. Wilson, who has attended the convention of the National Education Association in Chicago. In assembly on Monday, March 3rd, Mr. Wilson told the pupils many interesting things he saw and did.

Due to the warm weather for the last few days, many pupils have failed to do their work thoroughly and have thus been receiving low marks. The school month ends on March the seventh, and it is expected that the general average of marks will be slightly lower than they were last month.

The pupils of the Narberth High School expect to start baseball practice soon. Due to bad weather conditions, the ball field is too muddy to start practice right away. The pitchers of the team have, however, been warming up on the sidelines and are getting their arms in trim. It is predicted that in two weeks the field will be in good order. This team is expected to do better than the football and basketball teams have done, as baseball is a more popular sport. The team, having several accurate pitchers, expects to give any team their size a hard game.

Next Tuesday the boys' basketball team will again face Lower Merion. We hope that they will be victorious, because it will probably be their last game.

A number of Junior High School students, accompanied by Miss Tyson and Miss Jenkins, went to see a Latin play given at Haverford College. It was written by Plautus, an old Roman

writer. The setting, which was brought out well by the costumes, characters and acting, was an old Roman one.

The Ninth Grade English Class has alternated the month's work between literature and grammar. We have just gotten through a month of English and now we are taking up an interesting book of short stories and poems by Poe. The book is called "Poe's Tales."

### LOWER MERION HIGH NEWS

#### Basketeers Win Two and Lose One

A percentage of 666 was hung up by the Lower Merion basketball team for the week ending Thursday. It played three games and won two and lost one.

The game lost was to Norristown last Saturday night at Norristown. The defeat was more or less expected, in view of the teaming the county seat team administered the Forthburgites in their first encounter two weeks ago in Ardmore. Norristown has a championship quintet, and it made a thorough job of Saturday's game, leaving no doubts of the victor or strings of any kind tied to it. The Suburban champs copped the fray by a 32-12 score.

Norristown started right out to amass itself a conclusive number of points at the outset of the fracas. By the time the whistle for the first period sounded they had already amassed two-thirds of their final score. The count at half time was Norristown, 20; Lower Merion, 12.

Lawson, the brilliant Norristown captain, was the scintillating star of the evening. A quick pass and return pass which he worked with his other forward fooled the Lower Merion team time and again. By the end of the game Captain Lawson had 20 of his team's 32 points credited to himself.

Good sportmanship on both sides defined the game. About 100 Maroon and White rooters accompanied the Lower Merion team to Norristown.

#### Day School Easy

The two Lower Merion victories were over Montgomery Day School last Friday afternoon and Swarthmore High Tuesday of this week. Both games took place in the Junior High gym in Ardmore.

The Forthburg charges had little difficulty scalpning Montgomery Day School, as the final score, 49-32, may indicate. As the score does not indicate, however, the Maroon and White dribblers were given the scare of their life in the second half, when after his players had amassed a commanding lead, Coach Forthburg withdrew his regular combination and started running in substitutes.

Montgomery Day School took advantage of the move, and in a few minutes had reduced the Lower Merion lead, which had been 40-12 when the subbing began, to 12 points. The Day Schoolers put in eight field goals on eight successive plays.

The upshot of it all was that the Lower Merion regulars were put back into action, and in two minutes had scored nine points more.

The score at half time was 21-8.

#### Swarthmore Game Lucky

The game with Swarthmore High, while close throughout as far as actual playing went, and especially tight during the first half, at no time gave Coach Forthburg's men any real serious difficulty. The final score was 30-14, but the greater part of this was made in the last half, as the count at the half stood only 13-14 in favor of Lower Merion.

The curious part of the game is that the Swarthmore team, which was composed entirely of players small in stature, passed all around the Maroon and White quintet and really should have won the contest. While they could work the ball up to the basket almost at will, however the visitors were extremely bad shots.

Lower Merion on the other hand took long shots, many and plenty of them, and was usually successful in dropping them in.

#### Local Boy a Star

Center Bob Savill, of Narberth, who starred in all three games played during the past week, scintillated in the Swarthmore fray as in the others. He made six field goals, four two-pointers in the Norristown fracas, and eleven field goals and four fouls in the Montgomery Day School affair. In the Montgomery Day scrap he made 26 of his team's 49 points.

#### Debate Cheltenham

Yesterday the Lower Merion debating team, which was finally chosen a week ago after a series of eliminations lasting over the last half month, debated the Cheltenham High varsity team on the question, "Resolved, That the Present Immigration Law Should Be Re-enacted." Lower Merion took the negative; the visitors, the affirmative. The debate was held in the High School auditorium.

The Lower Merion team finally chosen consists of Sylvia Harrison, Mary Russ, Arthur Dunn and Walter Blodum alternates. They will speak in the order named.

### Orchestra in Concert

The High School orchestra gave its first concert of the school year yesterday morning in the auditorium during the regular morning assembly exercises. There were six selections by the orchestra and a number of special selections by the High School trio, composed of Mr. H. R. Wolf, Latin teacher, at the piano; Mr. W. P. Nash, math. prof., at the cello, and Harold Schuman, a student, at the violin.

Track practice is being held every afternoon on the track in the new

Junior High. A relay team to compete in the first scholastic athletic meet of the new Penn Athletic Club in the city tomorrow will be chosen today. The meet will be held at the Second Regiment Armory.

There are some 65 men out for the track team. The squad is being coached by Mr. Forthburg.

Approximately 60 men, candidates for the baseball team, are holding indoor workouts several times a week in the High School gym under the coaching of Mr. Fowler, language instructor in the Junior High.

WE CHIROPRACTORS work with the subtle substance of the soul. We release the prisoned impulse, the tiny rivulet of force, that emanates from the mind and flows over the nerves to the cells and stirs them into life. We deal with the magic power that transforms common food into living, loving, thinking clay; that robes the earth with beauty, and hues and scents the flowers with the glory of the air.

In the dim, dark distant long ago, when the sun first bowed to the morning star, this power spoke and there was life; it quickened the slime of the sea and the dust of the earth and drove the cell to union with its fellows in countless living forms. Through aeons of time it finned the fish and winged the bird and fanged the beast. Endlessly it worked, evolving its forms until it produced the crowning glory of them all. With tireless energy it blows the bubble of each individual life and then silently, relentlessly dissolves the form, and absorbs the spirit into itself again.

And yet you ask, "Can Chiropactic cure appendicitis or the 'flu'?" Have you more faith in a knife or a spoonful of medicine than in the power that animates the living world? —J. G. G.

## To Our Subscribers

Last year we added thirty millions of dollars' worth of plant for the telephone service of Pennsylvania. We told you about this through the public press and by various other means. We want you to know our job and how we are doing it. In a public service such as this the public should have all the facts.

Many of our subscribers are asking the questions—Why all this rush? Why all these new

buildings? Construction costs are high these days. Why this tremendous expansion of your switchboards and lines? Why not take it a little easier?

Fair questions! And they merit a four-square answer.

During the next few weeks we will endeavor to tell exactly what we have been doing, what we expect to do in the next four or five years—and most important of all—why we are doing it.
